### MY DAILY ROUTINE

My name's Andria, and I am 25 years old. I live in London, but I'm Italian. I live with my sister. We have been sharing the same house for two years.

My sister's name is Rosie, she is 21 years old, and she's an artist. She is really good at painting. She likes cooking, but she doesn't like cleaning the house, so we share the housework.

I work in a bank and I love my job. From Monday to Friday, my day starts very early.

I always get up at 6:30 and I have a quick shower. Then, I get dressed and comb my hair. At 07:00 a.m, I have breakfast, I usually have coffee and cereal. After that, I put on my make up and go to work. At 10:00 a.m., I sometimes have a snack and at 12:00 p.m., I usually have lunch at the office with my colleagues. They are wonderful people who have a good sense of humor, and they are good friends too. At 3:30 p.m., I have a snack again, I usually have some tea and biscuits. On Monday, Tuesday and

Wednesday, I go to the gym after work because I don't have time to do outdoor sports. When I get home, I have a shower again, I prepare dinner and I watch TV for a while. I like to go to bed as soon as possible, around 9:30 p.m. Thursday is different because I don't go to the gym. I go out with my sister every Thursday. We sometimes go to the cinema or we go out for dinner and to have a drink. But mostly, we prefer relaxing in the evenings.

On Friday night, I always go out with my friends, we sometimes go to a cafe and sometimes we meet at a friend's house, but I can't be home late because I have to get up early on Saturday to clean the house. On Saturday evenings, my sister and I learn a dragon dance. On Sundays, we usually have British breakfast with my sister at home then, we always visit our parents and we often visit our grandparents, too.
