Hi Jeremy,

Today, I want to write about our school trip. Last month, we went to London with my classmates. I think it was the most amazing school trip. There were 24 students and two teachers, Mrs. Jackson and Mr. Shiny. We travelled by plane and by double-decker bus in London. The journey took three hours and we were tired, but excited when we arrived.

We stayed in a hotel near the city centre. It was a nice hotel and also its location was really good. We had breakfast in the hotel in the mornings, then we walked around the city all day. We visited Westminster Hall, St. Paul's Cathedral, Big Ben and Museum of London. Then, we went to Buckingham Palace which opens its doors to the public every summer. We saw Tower Bridge. It was fantastic, but my favorite place was London Eye. It was built between 1998 and 2000. The return took about 30 minutes. It was short, but fascinating. I think everyone should try it. You should try it, too.

Love,  
Oliver.
